Pictured Rocks National Lakeshore
PO Box 40

Dear Superintendent Gustin:

I am writing to support the "no-action" alternative for the environmental assessment of personal watercraft use in Pictured Rocks National Lakeshore. The noise from operating PWCs has a very large impact on other park users. In addition, PWC operation releases a large amount of gasoline and oil directly into Lake Superior. Please ban their use from the quarter-mile shoreline zone where Pictured Rocks has jurisdiction.

Sincerely,

_____ (name)
